FP - 150

TECHNOLOGICALLY ADVANCED

The FP-150 is for any mailer who sends heavy packages. It calculates domestic and international U.S.P.S. rates including zip-to-zone, Express Mail, Library, and Book. Plus it's programmed to handle most UPS and Federal Express rates at no extra cost.

As part of the Conquest System, the FP-150 connects to your FP postage meter for automatic postage setting and faster mail processing.

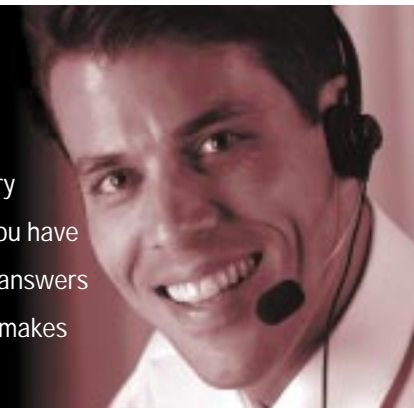

The FP-150 utilizes a large character, backlit LCD display and highly responsive keypad. You'll always come out ahead with the strong and dependable FP-150 on the job.
