### Compact Shredding Power Right at Your Desk

The FD 8252CC provides high-quality shredding performance in a desk model. This cross-cut model offers on-the-spot destruction of sensitive paperwork, phone messages and notes generated throughout the day.

Compact and powerful, it shreds paper into P-4 / Level 3 particles, meeting HIPAA regulations, and with solid steel cutting blades, it also handles credit cards, paper clips and staples with ease. The removable waste bin features a fill-level window making it simple to see when it's time to be emptied. And when it's not in use, power consumption is reduced with its zero-energy stand-by mode.
